

# Baby Name Challenge

Can you match up the adult animals with the name and picture of their babies?

## Did you know?

Lots of creatures in the UK are born or hatch in Spring? This is because they are born just in time for the milder (warmer, less dangerous) weather, and there is more food around to give them the best chance to survive before Winter comes!

Fox

Hare

Ladybird

Robin

Toad

Peacock  
Butterfly

Muntjac

Tawny  
Owl

Dragonfly

Tadpole

Larva

Nymph

Chick

Cub

Fawn

Caterpillar

Leverett

Owlet
