Junior Park Rangers Workshop – Willow, Wetlands and Waders

Saturday 8th November 2025 - Floodplain Forest Nature Reserve
10am-12pm or 1pm-3pm

Join the Outdoor Learning team at Floodplain Forest Nature Reserve, a special park like no other in Milton Keynes. The reserve is home to amazing wildlife, as well as plenty of bird hides that can be used to observe the fascinating birds and creatures that live there.

During the 2 hour session we will visit the bird hides, carry out a group conservation activity to help local wildlife, and make natural bird feeders to take home.

exclusive

Meet at Manor Farm Court car park, MK12 5NN (off Old Wolverton Road). You will need to drive past the first car park on your right and continue down the track towards the buildings. Please note that this workshop is for JPRs only and we are unable to accommodate siblings or friends.

Please wear old clothing that you don't mind getting wet or muddy. Sturdy outdoor waterproof boots/wellies are recommended for this park/activity but we will have spare wellies with us on the day – please bring extra socks if you would like to borrow some.

Adults do not need to stay, however if you would like to accompany your JPR, please drop us an email in advance. Parks Trust staff are First Aid-Trained and DBS-checked.
If you have any queries, or require any further information please email jpr@theparkstrust.com
