Autumn Scavenger Hunt!

November is still autumn, so this is a great opportunity to keep exploring your local green spaces to do some scavenging!

Nut or seed

Spiders' web

Dried leaf

Worm

Y-shaped stick

Pinecone

A beautiful sunset

Crab apple

An owl

Good luck and enjoy discovering nature!

Winter Scavenger Hunt!

The Parks Trust
JUNIOR RANGERS

December is officially winter, so grab those coats, scarves and gloves and get out into your local park and see what you can spot!

A magpie

A beautiful cloud

Animal tracks

Berries

A tree that's lost its leaves

An evergreen tree

A squirrel

A puddle to splosh in

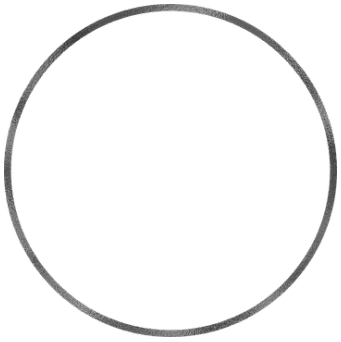

Crisp, frosty gass

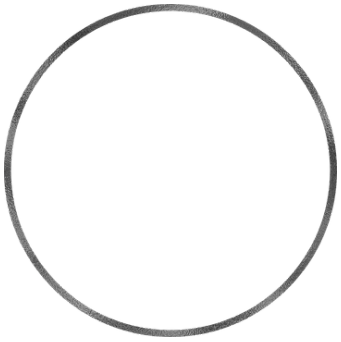

Good luck and enjoy discovering nature!

Some More Ideas...

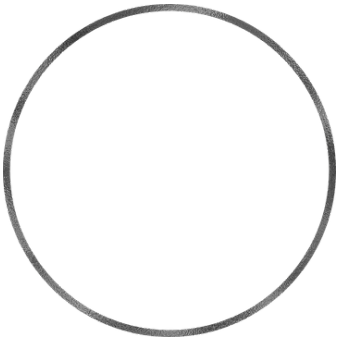

Here are some spaces for you to draw your own wintry wonders and mark off when you have found them!

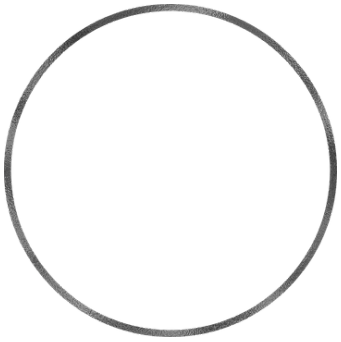

Moss

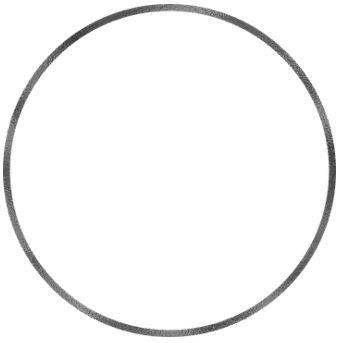

A bird that's flying

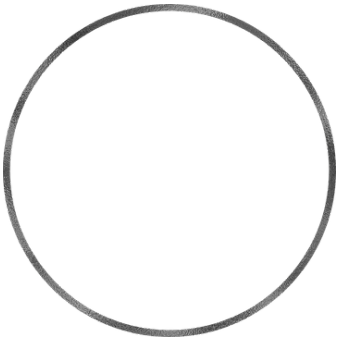

An icicle

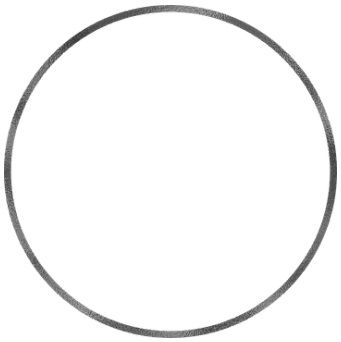

A red leaf

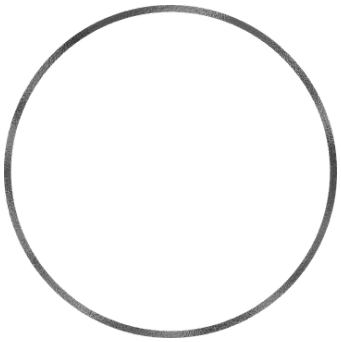

A pine needle

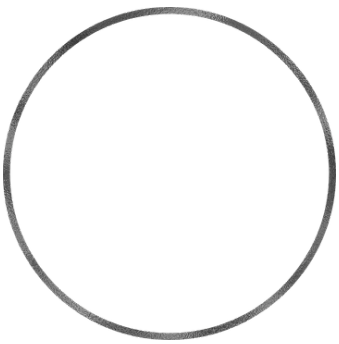

Your reflection in some water

A huddled up bird

A frosty puddle

A frosty branch

Good luck and enjoy discovering nature!
